DESCRIPTION

The parcels are the last two unpromoted sites north of Bishops Cleeve. The land comprises two parcels of arable land:

- Parcel A - 8.49 acres (Freehold Title GR152333)
- Parcel B - 1.58 acres (Freehold Title GR152334)

Access to the larger parcel is provided via an open gateway off the Cleeve Road in the north eastern corner of the site. The smaller parcel will be accessed through the hedge on the eastern boundary off the Cleeve Road.

The Environment Agency's flood zone mapping shows that the site lies within Flood Zone 1 (lowest probability of flooding).

The area is now becoming more urbanised, with a new cycle way with lighting to the east and new tarmac road to the west, serving the construction of the Hayfield Homes new development at Gotherington. Parcel A abuts the 50-unit site under construction.

PLANNING

The subject site is situated within the planning jurisdiction of Tewkesbury Borough Council. Planning Policy is covered by the Tewkesbury Borough Plan 2011-2031 which was adopted on the 8th of June 2022.

Cheltenham Borough Council, Gloucester City Council and Tewkesbury Borough Council are producing a Strategic and Local Plan (SLP). The SLP will be provide an overarching planning strategy, with the Regulation 18 consultation currently being reviewed. The Preferred Options review is anticipated to be undertaken in early 2025.

The sites are not located within the Green Belt nor an Area of Outstanding Natural Beauty (AONB), however the larger 'L-shaped' parcel falls under a Special Landscape Area (Policy LAN1). Note 2 recent consents at Gotherington were also within this Special Landscape Area.

Following recent Appeals, Tewkesbury Borough Council cannot demonstrate a 5 Year Housing Land Supply with this being at best 3.39 years supply:
