

Our offices, your way

Fig Offices puts you at the heart of it – by understanding what you need as a business and offering genuinely tailored office space in landmark locations, right in the centre of business and retail environments.

The start of a fruitful relationship.

At Fig Offices the motto we follow is 'Our Offices, Your Way' and we mean it.

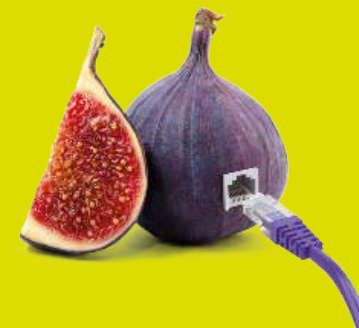

Through our unique consultative approach, we tailor each service to you. Our goal is to maintain a long and fruitful relationship with each of our clients built on trust and open communication.

Each of our Fig Office locations has its own dedicated Centre Manager to ensure that you receive the best customer experience. As well as maintaining a high standard of day to day operations, a key part of their role is to create a strong community feel within the centre. This is achieved through hosting networking, sporting and charitable events, allowing you and your colleagues to intermix with other businesses within the centre.

Gloucester

Southgate House, Southgate Street, Gloucester, GL1 1UB

Southgate House is a four-storey purpose built office building, originally constructed for the Bank of England in the early 1990s, located in the heart of Gloucester city centre.

Fig Gloucester offers first floor office space which benefits from double height ceilings and extensive views of the Historic docks, located a short walk from Gloucester railway station which provides direct services between Gloucester and London Paddington.

Comprising over 15,000 sq ft, Fig Gloucester offers over 30 offices on the first floor of Southgate House. Sizes range from one-person space, up to offices that can accommodate 25+.

All of our 4 key products are available at our Gloucester office allowing your business to grow as and when you're ready. We also provide hot-desking, allowing clients to use our centre on an 'as you need it' basis, whilst still being very much part of the Fig community.

Available at Gloucester:

- Choice of over 30 offices, with courtyard and dockside views.
- 4 meeting rooms, including 14 people board-room and a large multi-use training room.
