DESCRIPTION

The site extends to approximately 5.69 acres (2.3 hectares) gently sloping to the south, with Alderton Hill rising to the north. The land comprises a parcel of vacant agricultural land forming the northern parcel of a wider ownership of arable land currently under cultivation. To the north western boundary lies an intermittent hedgerow, watercourse and public footpath which runs north. The southern boundary is open countryside running to the B4077.

A right of way through the development to the north off Beckford Road provides vehicular access is provided via the right of way maintained via the recently developed Charles Church site which is located on the northern boundary of the subject.

PLANNING

The subject site is situated within the planning jurisdiction of Tewkesbury Borough Council (TBC).

Current planning policy is covered within the Cheltenham, Gloucester and Tewkesbury Joint Core Strategy (JCS) (December 2017) and the Tewkesbury Borough Local Plan 2011 (Saved Policies).

The Tewkesbury Borough Plan has now been submitted to the Secretary of State of Housing, Communities, and Local Government for examination. If no changes are proposed, it is likely the plan will be adopted in early 2021.

The exact figure of the five-year housing land supply for TBC is contested however, it has been acknowledged in various appeal decisions that Tewkesbury cannot currently demonstrate a 5-year housing land supply.

On land immediately adjacent to the site to the north, Charles Church Developments were granted Full Planning Permission at Appeal on 22nd May 2014 (ref: APP/G1630/A/13/2209001) for 47 dwellings, site infrastructure, landscape buffer and access on Land to the South of Beckford Road (ref:13/00114/FUL) refused 15th October 2013.
