Introduction

Bruton Knowles are delighted to receive kind instructions to offer for sale Roseland Cottage, Leominster. The property offers a great opportunity to purchase a cottage with large accommodation, gardens and farmland only half a mile from Leominster.

Description

Roseland Cottage is a splendid detached four-bedroom property with largely painted-brick exterior and tile roof. Accommodation extends to four bedrooms, kitchen, living room, dining room, study, utility room and three bathrooms. Whilst a purchaser may wish to modernise the kitchen and bathrooms, the property is in great condition and would be a superb family home.

Externally, Roseland Cottage has plenty to offer. It has large gardens with eye-catching natural ponds to the rear as well as a former tennis court. Furthermore, there is a useful stable and outbuilding suiting a variety of uses and serving one of two paddocks totalling 3.5 acres combined. This, in addition to the Cottage forms Lot 1, with Lot 2 forming a larger 9.2 acre block of arable land, available as a whole or separately.

Location

Roseland Cottage is in a great location, just a half mile west of Leominster. Located off Newtown Lane, the land has frontage to the A44 which connects Mid-Wales to Worcester.

Leominster is a pleasant rural market town with several independent shops, public houses and services. Furthermore, the town provides education up to eighteen, healthcare facilities and three supermarkets. Recreation facilities include a leisure centre and swimming pool whilst Luctonians Sports Club and two golf courses are also within a 10-minute drive. Leominster offers the nearest rail service with routes to Hereford and Ludlow.

The City of Hereford offers wider employment, education and leisure opportunities, some 15 miles south. The towns of Kington and Ludlow are both within 30-minute drive, with the M50 being the nearest motorway at Ross on Wye.

From the hallway is a boot-room with wine stacking and window to the front and a small lavatory and wash-hand basin. Guide Price Lot 1 – £695,000 Lot 2 – £180,000 Freehold

There is space for a small breakfast table in the kitchen, but a carpeted dining room is adjacent with shelving and window to garden. To the front is a useful utility room with sink and drainer, base units and back door to car parking. Adjoining that is a study with significant shelving and fitted desk.

First Floor

The first floor has a large landing providing access to all bedrooms and bathrooms. The property boasts four bedrooms, three of which are generous doubles. Each bedroom benefits from integrated storage or wardrobe, radiator and great views either overlooking the large garden or retained paddocks. Upstairs boasts two large family bathrooms, both with bath, shower, W/C and wash-hand basin. The sanitaryware in bathrooms might benefit from some modernisation.

Outside

Roseland Cottage benefits from a private tarmac access off Newtown Lane with ample car turning and parking for multiple vehicles and extending to the nearby stable to the side. Rear doors from the house lead to a patio with stone wall surround and flowerbeds and a superb garden mainly laid to lawn with a scattering of mature conifers. At the top end of the garden is an attractive natural pool. Adjacent to the garden is a former tennis court, benefiting from existing net and surrounding mesh fence, but in need of relaying.

An outbuilding to the side of the property is a timber barn with galvanised roof and open bay offering a car port. It benefits from electricity and concrete floor thus being offering a good workshop. To the rear is a lean-to with two loose boxes with frontage to a paddock.

The land is split into two paddocks which are relatively flat and bounded by hedging and good stock-proof fencing. The first paddock to the front of the house extends to 1.6 acres and has frontage to the A44. The second paddock has separate access from the courtyard and stable and extends to 1.8 acres, with an additional pond and wooded area to the east.

Lot 2

An additional arable field has recently been re-seeded with a grass ley and is for sale either as a separate lot or with the cottage and adjoining land, extending to 9.2 acres. It benefits from a separate access from the A44 or from the adjoining paddock, is predominantly flat and classified as Grade 1 and 2 farmland. It may offer long-term planning potential, subject to gaining the relevant consents. If sold as a separate lot, it will not be sold until Lot 1 is advanced in its sale.

Services

The property benefits from mains water and electricity and private drainage via septic tank. It is oil-fired central heating with radiators present throughout the cottage. Superfast broadband is available nearby. Bruton Knowles have not conducted any tests and interested parties are encouraged to make their enquiries in this regard.

Wayleaves, Easements and Rights of Way

The property is sold subject to and with the benefit of all easements, quasi easements, wayleaves, and rights of way both declared and undeclared.
