Unit 34, The Shirt Factory, 51 Derby Road, Gloucester, GL1 4AE

The Shirt Factory

Once home to Gloucester's iconic shirt makers and later an optical lenses factory by Norvilles, the Shirt Factory has stood as a key employer in Gloucester for decades. When County to County acquired the site, the vision was to transform it into a thriving commercial centre with strong sustainability credentials that would appeal to modern tenants.

With flexible workspaces, smart storage solutions and exceptional value, The Shirt Factory combines intelligent design with even smarter savings — all backed by a dedicated team and a vibrant, connected business community.

Location

51 Derby Road occupies a well-positioned commercial location on the eastern side of Gloucester city centre. The property benefits from excellent road connectivity, with Junctions 11 and 11A of the M5 motorway within easy reach, providing direct access to the national motorway network and onward routes to Bristol, Birmingham and the wider South West. Gloucester city centre is a short 10 minute walk from the site, offering a range of retail, leisure and further professional amenities. The Property is well served by public transport, with Gloucester Railway Station in convenient reach, alongside the area being serviced by frequent bus routes.

Gloucester Royal Hospital lies 1 mile from the premises, making it particularly appealing to both medical and further professional sectors.
