# Residential Development Opportunity – Long Nursery Coppice, Presteigne LD8 2RE

**Offers in Excess of £280,000 Freehold**

A rare opportunity to purchase a plot with full planning permission for a large dwelling, nestled within approx. 4.8 acres of woodland on the Welsh border.

**New Radnor 2.7 miles | Kington 6.6 miles**

Bruton Knowles are delighted to receive kind instructions to offer for sale a superb development opportunity which benefits from full planning approval for a large dwelling set within nearly 5 acres of woodland on the borders

## Description

The property extends to 4.8 acres of gently sloping ancient woodland which is surrounding by fields of pasture. Historically, there was a two-bedroom dwelling of lightweight construction and in poor repair. This is accessed via a private track through the woodland from public road.

## Location

The site sits in the foothills of the Radnor Forest and offers an intimate setting with stunning views overlooking the Welsh hills of Rhos Fawr and Great Creigiau. The A44 is less than a mile away, connecting mid-Wales with Herefordshire. New Radnor (1.5 miles) offers a local school, shop and church, whilst the rural towns of Kington and Presteigne are within a 15-minute drive offering secondary education, local shops and pubs and sports facilities. The City of Hereford is 23 miles away with direct rail connections to Birmingham, Cardiff and London Paddington.

## Planning

The land falls within the planning jurisdiction of Powys County Council and benefits from full planning for a single dwelling:

- 24/0370/FUL: The erection of a replacement dwelling, package treatment plant and associated works
- 23/0703/CLE: Lawful Development Certificate under Section 191 for the retention of an existing dwelling and outbuilding, and use of land for residential purposes.

## Proposed Scheme

The scheme refers to removal of the existing structure and a replacement 4-bedroom dwelling. The proposed dwelling is contemporary-designed and extends to 185 sq.m. (1991 sq.ft.) over two wings on the same ground level.

The accommodation is designed to maximise the spectacular views with open plan living space on the one wing and four double bedrooms (two with ensuite) on the other. They are connected by a modern central glazed link.

Externally is a large terrace overlooking far-reaching views and parking for multiple vehicles.

Planning information and drawings are included within the Data Pack prepared by the Agents.

## Services

The property has private water via borehole and single-phase electricity. Foul drainage is via package treatment plant (PTP) to drainage field and surface water to soakaway. Roof water is to be recycled for non-potable supply. Interested parties should make their own enquiries as to the services available.

## Boundaries

The boundaries are assumed to be correct and interested parties are deemed to have full knowledge of the boundaries. Plans, photographs, and ordnance survey extracts have been provided for guidance only. Bruton Knowles are not under any obligation to define where boundaries are or verify their location in accordance with the title plan.
